

June 1, 2010

Sunday worship schedule: 8:30 A.M. & 10:40 A.M.

From the Minister's desk

It was good to get to New York and to visit with our son, James, upon his graduation from law school. We had a great time celebrating the accomplishment, visiting and touring the city.

Time does fly! It is stunning to realize that he turns 30 shortly. It seems like only yesterday.... Most of you know how many ways that phrase can be completed!

Sometimes it seems like only yesterday that we arrived in Berea. As I look at children who are now young adults, it is clear that we did not arrive yesterday!

While, I did not begin my work here until June 1, 2000, Jane arrived in Berea on her own and on her birthday that year. Actually, not quite on her own: she had the dog, the rain, a house which had not been completely emptied by the previous owners and large moving van to contend with. John and I remained behind in Missouri, so that he could wrap up school issues there.

It is now ten years later. There has been much change in the world, in our nation, in our state, in our community and in our church during those ten years. On the whole, I think we're doing well!
